FRIENDS

I hope the day will be a lighter highway,
For friends are found on every road.
Can you ever think of any better way,
For the lost and weary travelers to go?

Making friends for the world to see.
Let the people know you've got what you need.
With a friend at hand you will see the light,
If your friends are there then
everything's all right.

It seems to me a crime that we should age.
These fragile times should never slip us by.
A time we never can or shall erase;
As friends together watch their childhood fly.

Making friends for the world to see.
Let the people know you've got what you need.
With a friend at hand you will see the light,
If your friends are there then everything's all right.

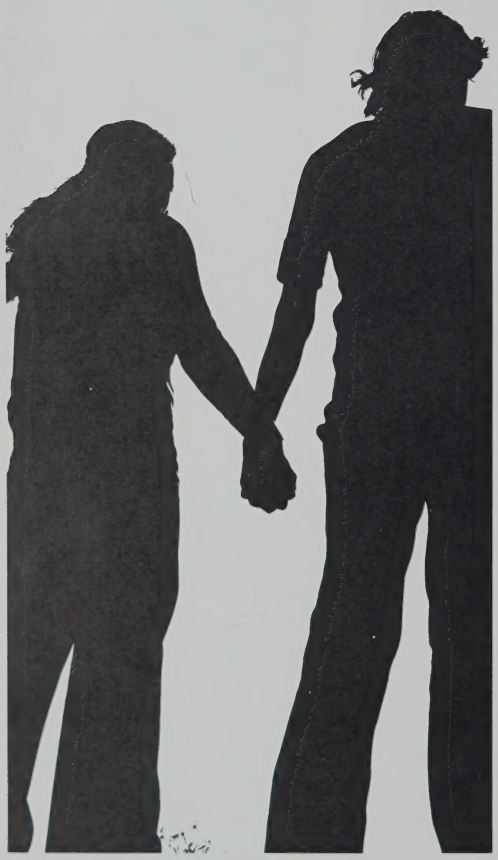
DEDICATION



We, the class of 1976 have dedicated this yearbook to our Friends.

The best friendships are usually formed in the early years of our life when we are most susceptable to warm and affectionate impressions. Each of us has made friends throughout our four years at Westport High School. Whether it be with another senior, an underclassmen, or an understanding teacher, these friendships are ours to keep forever through memories.

Hoping to keep the embers of friendship glowing eternally, this yearbook has tried to capture and record all the memorable moments we have shared.

ADMINISTRATION

Well, back at White mountain Regional High . . .

May I have your attention, please?

Yes, can I help you?

Mr. Flynn

Edward Flynn, Westport High School's new principal, feels Westport High is on its way towards advancement. His first reaction to Westport was a positive one. He likes Westport, and plans to move his family here as soon as possible.

Mr. Flynn feels the students at Westport High were not used to being talked to, rather, they were talked at. He feels this and several other problems at all high schools encounter will be alleviated with the Student Council and the Student Advisory Committee.

CLASS HISTORY

We came to Westport High School in our freshman year with high spirits and inexperienced minds. Our first officers were Ronald Silva (president), Deborah Wordell (vice-president), Mary Ann Rousseau (secretary), Dana Cambra (treasurer). Student Council Representatives were Kathleen Leach and Brad Lopes. Mr. Richard Dean was then elected as our advisor to guide us through four of the most important years of our lives. Our class did an excellent job that year raising money amid all the confusion of our first year at Westport High School. We sold linen calendars and beach towels which were very successful. Entering our sophomore year, the members of our class began forming individual ideas. This, compounded with other minor problems, caused our class to become unstable. The officers we elected were Lorna Tripp (president), Deborah Wordell (vice-president), Mary Ann Rousseau (secretary), Frank Emery (treasurer). They did their best to organize some fund raising activities. Constance Rousseau and Mark St. Amour were elected as Student Council Representatives. The results of our election in our junior year were Lorna Tripp (president), Mary Beth Machado (vice-president), Pamela Mercier (secretary), Kathleen Leach (treasurer). Mark St. Amour and Richard Sadeck were the Student Council Representatives. Through Pizza suppers, cake sales and candy sales, we were able to raise the money we needed for our senior year. Our junior prom was held at the Venus de Milo. Our senior officers were Diane Texeira (president), Mary Beth Machado (vice-president), Pamela Mercier (secretary), Kathleen Leach (treasurer). The Student Council Representatives were Richard Sadeck and Lorna Tripp. Participation greatly increased as the class began to see the importance of unification among ourselves. We decided upon the Chateau de Ville as the setting for our senior prom. Our class pulled through all the trials and tribulations in the end because we had retained our loyalty and friendship for one another.

SOCCER

The combined efforts of Coach Souza and the 1975-1976 Varsity Soccer Team led them to capture second place in Division II, with a record of 7 wins and 5 losses. Veteran seniors were Captain Michael St. Martin, Ronald Silva and Neeraj Khanna. Other senior members were Leo Gavin and Jon-Erik Rehn. Coach Souza feels the team had a very successful year and is very proud of his boys. Named to the All-Star Team were Michael St. Martin and Barry Alves. Although the Junior Varsity Soccer Team, under the direction of Coach Feeney, was not too successful this year, they gained important experience.

With only seven returning players, the team could not get things rolling. Under Coach Carpenter, the team elected Tri-Captains Lorna Tripp, Pam Comstock and Ann Gifford. Senior players were Lorna Tripp, Debbie Grota, Corinne Gamache and Doreen Smith. Named to the All-Star Team was Pam Comstock.
